

# For My Good

Byron Cage

[That all things are working together for the good of those who love the Lord,  
And are called according to His purpose,  
And the psalmist says] For my good, for my good  
Things will work out for my good  
Even though I would change things if I could  
Things will work out, Things are gonna work out  
Things will work out for my good If I could, I would change the things  
The things that brought me pain  
And replace all earthly loss with Heaven's gain  
I'd erase the painful memories  
And I'd paint my gray skies blue  
I would love, obey and honor you Lord  
In all I say and do, I really would For my good,  
[anybody believe that what your going through is]  
For your good,  
[yes Lord]  
Things will work out for my good  
Even though I would change things if I could  
[I want someone to hear this]  
Things will work out  
[On your job I want you to know]  
Things will work out  
[In your home situation, listen]  
Things will work out for my good
