

# I Don't Want To Go Home

[Nick Mulvey](#)

I was happy today and I was running into my own  
And she saw the very light in me  
She told me I could be a maker  
But I'll probably make her fall onto me, this morning  
Been sleeping by the road  
You die in different and  
And I don't want to go home  
I don't want to go home  
I don't want to go home  
But since you got more going on  
Nobody's ever gone alone One time behind a stake up  
Stacked up the great  
You could see that I could be the maker  
But I'll probably make her fall onto me
