# Someone Like You

## Total Touch

I've been looking for someone like you,
Oh, tell me you're the one.
I've been looking for someone like you,
Oh, tell me you're the one.I never knew how much I felt for you,
Until you came walking into my life.
See I've been looking for somebody to love me,
Are you the one that I've been searching for?I've been looking for someone like you,
Oh, tell me you're the one.
I've been looking for someone like you,
Oh, tell me you're the one.If you take a look at me I'm so sure you'll see,
That I'm all you need and more.
I want you here by my side, it's only right,
'Cause it's you I've been looking for.I've been looking for someone like you,
Oh, tell me you're the one.
I've been looking for someone like you,
Oh, tell me you're the one.Where did you go when I needed you most,
It's not the same without you.
I need you here by my side so stay close,
I'm not the same without you.I've been looking for someone like you,
Oh, tell me you're the one.
I've been looking for someone like you,
Oh, tell me you're the one.In my heart I always knew you'd be the one,
Why can't you see that you're the only one for me?
I've been looking for you.I've been looking for someone like you,
Oh, tell me you're the one.
I've been looking for someone like you,
Oh, tell me you're the one.
