

# Sugar Baby

Steve Earle

I've got my back to the sun 'cause the light is too intense  
I can see what everybody in the world is up against  
Can't turn back, you can't come back, sometimes we push too far  
One day you'll open up your eyes and you'll see where you're  
Sugar baby, get on down the road, you ain't got  
no brains, nohow  
You went years without me, might as well keep goin' now  
Some of these bootleggers, they make pretty good  
stuff  
Plenty of places to hide things here, if you want to hide them bad enough  
I'm staying with Aunt Sally, but you know she not really my aunt  
Some of these memories, you can learn to live with  
And some of 'em you can't  
Sugar baby, get on down the line, you ain't got no brains, nohow  
You went years without me, might as well keep goin' now  
The ladies down in dark town, they're doin' the dark  
town strut  
You always got to be prepared, but you never know for what  
There ain't no limit to the amount of trouble women bring  
Love is pleasing, love is teasing, love not an evil thing  
Sugar baby, get on down the road, you ain't got no brains,  
nohow  
You went years without me, might as well keep goin' now  
Every moment of existence seems like some dirty  
trick  
Happiness can come suddenly and leave just as quick  
Any minute of the day, the bubble can burst  
Try to make things better for someone sometimes you just end up  
Makin' it thousand times worse  
Sugar baby, get on down the road, you ain't got no brains, nohow  
You went years without me, might as well keep goin' now  
Your charms have broken many a heart and mine is  
surely one  
You got a way of tearin' the world apart, love, see what you've done  
Just as sure as we're livin', just as sure as you're born  
Look up, look up, seek your maker, 'fore Gabriel blows his horn  
Sugar baby, get on down the line, you ain't got  
no sense, nohow  
You went years without me, might as well keep goin' now
