Ice Cube

[Part 1 intro:]Aye homie
Ain't that the fool we went to school with right there?
That's him man
The nigga rockin' that George Jefferson[Part 1 Hook x2:]
Damn, homie
In high school you was the man homie
The fuck happened to you[Part 1 verse:]
I remember you all shuckiedupy
You remember me, nigga don't try to duck me
We had 4th period together
I was rockin' sway, but you was rockin' leather
You had a pocket full of cheddar
You waved it in my face, I wish my life was better
You was the shit back in high school
Never went to class but all the bitches like you
You used to ditch and say bye fool
Hit the fence, I wanted to be like you
But damn, I like learnin'
The money that I get, is the money that i'm earnin'
Remember I was workin' about 2 in the morn'
You and your homies, clowned a nigga uniform
I laughed it off, like a classy motherfucker
It was good to see you, ashy motherfucker[Part 1 Hook x2:]
Damn, homie
In high school you was the man homie
The fuck happened to you[Continued:]Was ditchin' them classes, was chasin' them asses
You quit'n them jobs, you move like molasses
You don't take a shit, unless it is free
A so easy, I come naturally[Intro:]
Lench Mob incorporated
Fuck with the godfather
See what ya get
Punishment
Consequences and repercussions
Understand me
Y'all know what I do[Hook x2:]
Sic them youngins on 'em
Sic them youngins on 'em
Sic them youngins on 'em

Sic them youngins on 'em[Verse 1:]
Try to go ham on porky pig
Fucked up boy, that's what you did
Barbar, come through, split your wig
Y'all can't wrestle with the giant squid
Try to get that to the iron fist
Axe all green, I'm hot as grits
Yarn in my hand, no pinky ring
Godfather, nigga, I pull the strings
Do what I tell'em, buy what I sell'em
Puppet master, I'm Jim Hanson
See my muppets, they like duckets
Y'all better run when you see that bucket
Hit that corner, do what I wanna
Get another jar for the organ donor
Ice Cube, nigga, I know better
But you ain't gotta fight
When you got that cheddar[Hook x2:]
Sic them youngins on 'em
Sic them youngins on 'em
Sic them youngins on 'em
Sic them youngins on 'em[Verse 2:]
Try to have beef with a fucking bull
With no teeth I'm about to pull
I'm that dentist this the finish
All the spoils go to the winners
Don't get mad cause my hands are clean
I'm the king, never flee n' a scene
Wizard of Oz, if you need a brain
Need a heart? Here's a start!
Don't you worry if you need some courage
Y'all motherfuckers know where you heard it
Gangsta, gangsta, thank me now
Rap god nigga, please take a bow
Can't take bullshit from a cow
Don't ask who, I'mma fuck it out
Thirstin' howl, will get you murked
Come to the boss if you need some work
Come to the boss if you need some hurt
White collar boy, if you check my shirt
Here come my sons just like Lavert
Gotta get my boys up out the dirt
Putting the rap game on alert
Fuck with them and I will revert
Back to the old days, back to the old ways

Back to the AK's fucking up doorways[Hook x2:]
Sic them youngins on 'em
Sic them youngins on 'em
Sic them youngins on 'em
Sic them youngins on 'em[Verse 3:]
Try to play chicken with a fucking rooster
Don't you worry, I'm not the shooter
I-M-A fucking computer, with a whole army of booster
Nigga got a 1 piece, 5 piece, dime piece
Cause my crimmies move like zombies
What? Been here since the 90's
Don't act like you don't know where to find me
Now, if you wanna get slimy
Look at all the grimy, niggas all behind me
Then, you don't wanna go to war so you start to sing
and why can't we be friends?
We can we be friends?
Pussy ass niggas, by extents
Pray to the God, repent your sins
Ice Cube ain't like the rest of them[Hook x2:]
Sic them youngins on 'em
Sic them youngins on 'em
Sic them youngins on 'em
Sic them youngins on 'em[Outro:]
Try to go ham on porky pig
Fucked up boy, that's what you did
Try to go ham on porky pig
Fucked up boy, that's what you did
Try to go ham on porky pig
Fucked up boy, that's what you did
Try to go ham on porky pig
Fucked up boy, that's what you did
