

Sugar, Honey

Eklo

Well, I never thought
I would ever find
A little love that could be so sweet
But as strong as moonshine I never know
I was livin' blind
But your sweet sweet love
Brought the color back into my life
Color back, to my life
And I love, love, love
The way that your making me feel
Give me more, more, more
Of that sweet, sweet way that you love me
Way that your making me feel.
Aw that you love me,
Give me more, more, more
Well I've taken falls
But I've always gotten back up
But this time
I'm in so deep that
It might just be too much and I'm not playin' scared
But this is my heart
And you got in your hands
But it feels safe right from the start
Got it, got it,
My heart
Color back to my life
And I love, love, love
The way that your making me feel
Give me more, more, more
Of that sweet, sweet way that you love me
And i'll be good to you
For as long as the sky stays blue
Aint got nuthin but time
My only care is if you wanna be mine
Well i, ain't no beggar man
But you got me on my knees
For just one taste
Of that sweet, sweet, sugar, honey
Light it up, honey
Light it up
And i love love love
The way that your makin' me feel!
And I love, love, love
The way that your making me feel
Give me more, more, more
Of that sweet, sweet way that you love me
Color back to my life

Up up, light it up
