Jack the lad
Jack and nab
Had to snatch and grab
I was black and sad
Couldn't even catch a cab
Sittin' in the pad
Thinkin' I was bad
Like a chav
I was savvy
Had the gab
I was shabby
Never had the swag
GAP jacket turned into a bag
It was fab
Just a slightly dodgy fad
At the time it was the greatest swag I had
Old dear used to nag
Every time I brought a slag into the pad
I was glad
Caught the clap I couldn't blag
I wave the flag
Now I wrap it when I shag
Listenin' to makaveli
Thinkin' I was rags
With my rag

Sippin AlizÃ©
Not the Hennessey
It made me gag
Now I'm older Thug Passion really sounds like just a dodgy porno mag
That is not a jab
Let the critics take a stab
Birds tellin' me I'm drab 'cause I don't dab
Thought by now I'd be a dad
With a WAG
Caught me cheatin' on my stag
Still it's better than a bucket full of angry crabs
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
In the manor I ain't slippin' (nah)
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
'Cause these man are always flippin' (switchin')
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' I ain't flippin' over no chicken (what?)
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' 'cause the manor's unforgivin' (trust)Jammin' at Jalil's
With his brother Bills
Back when rap was all about the skills
Cannabis, sticky fingers, Eminem and Cyprus Hill
Had the time to kill
Sit and chill
Debate about who had the sickest verse
Who your favourite was and who was ill
Strictly for the thrill
Yeah, I'm Dylan, but they used to call me Dyl
Before the the deal
Mr Mills fell in love with Natalie
She had a wavy pair of lils
Gave me chills but she was crazy
Always all up in my grill
No she wasn't from the grill
She was beige and then occasionally
Brought her bredrin down from Gypsy Hill
Who I really didn't feel
If I had to keep it absolutely real
Then she didn't feel me either

Doubt she'll leave me in her will
W-went to PFC and watched my bredrin jump up on the counters
Stab the boss across the till
It was probably over nil
Overkill
Must have dropped a dodgy pill
This is not a bloody drill
(Somebody call the ambulance)
The bloods about to spillBop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
In the manor I ain't slippin' (nah)
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
'Cause these man are always flippin' (switchin')
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' I ain't flippin' over no chicken (fam)
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' 'cause the manor's unforgivin' (trust)Petty crimes
Peak times
Back when creed and unknown MC Pied Piper went to number one with good rhymes
So Solid next it was a good sign
More Fire blew
But Heartless crew they had the good vibes
I was in my boiler suit
On the grind
Cookin' grime
On the champagne dance shoot
Thinkin' I was lookin' fine
Saw the rise and the decline
The extortion and the devils on the sidelines
Bitchin' 'cause they couldn't get the shine
It was deep and I could peak
They tried to creep up from behind
Talkin' about they want a piece
So I went and bought a piece
It was a (nine)
Told myself nobody's ever takin' mine
I'll go blind if they ever cross the line
But I never wanted pressure from the swine
Got me thinkin' about my struggles
And the mountain that I had to climb

I will not rewind
Plus I'm barely in my prime
Got me switchin' up my line
Relocated off the ends
I was bored but got my piece of mindBop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
In the manor I ain't slippin' (nah)
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
'Cause these man are always flippin' (switchin')
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' I ain't flippin' over no chicken (it's long)
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' dippin'
Bop 'n keep it dippin' 'cause the manor's unforgivin' (trust)
