

It's A Man's, Man's, Man's World

James Brown

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or a girl
You see, man made the cars to take us over the
road
Man made the train to carry the heavy load
Man made electric light to take us out of the dark
Man made the boat for the water, like Noah made the ark
This is a man's, man's, man's world
But it wouldn't be nothing, nothing without a woman or a girl
Man thinks about our little bitty baby girls and our
baby boys
Man made them happy, 'cause man made them toys
And after man make everything, everything he can
You know that man makes money, to buy from other man
