

# What's a Girl To Do

## Marcia Ball

Well I'm tired and confused  
The way you treat me I feel so abused  
I can't let go and you can't be true  
What's a girl to do with a man like you? You stay out late, sometimes all night  
When you come in, we wind up havin' a fight  
I wish someone would tell me I haven't got a clue  
What's a girl to do with a man like you? What's a girl to do when she should walk away  
What's a girl to do when her heart wants to stay  
She just tries to hold on but it's just no use  
What's a girl to do with a man like you? Sittin' on the bed with my head in my hands  
Watchin' you dress, you're going out again  
You got to know treatin' me like a fool  
What's a girl to do with a man like you?
