

# Ruby Soho

## Rancid

Ruby soho Echoes of reggae comin' through my bedroom wall  
Havin' a party up next door but I'm sittin here all alone  
Two lovers in the bedroom and the other starts to shout  
All I got is this blank stare and that don't carry no clout at all Destination unknown  
Ruby Ruby Ruby Ruby Soho He's singin and she's there to lend a hand  
He's seen his name on the marquee but she will never understand  
Once again he's leavin' and she's there with a tear in her eye  
Embraces with a warm gesture it's time, time to say goodbye Destination unknown  
Ruby Ruby Ruby Ruby Soho Ruby's heart ain't beatin cause she knows the feelin' is gone  
She's not the only one who knew there's somethin' wrong  
Little lover's in the distance as she wipes a tear from her eye  
Ruby's fading out, she disappears, it's time, time to say goodbye Destination unknown  
Ruby Ruby Ruby Ruby Soho
