

# Hunting for Witches (Coucheron Remix)

## Bloc Party

I was sitting  
On the roof of my house  
With a shotgun And a six pack of beers, six pack of beers, six pack of beers  
The newscaster says the enemy's among us  
As bombs explode on the thirty bus  
Kill your middle class indecision  
Now is not the time for a liberal thought So I go hunting for witches  
I go hunting for witches  
Heads are going to roll  
I go hunting for Nineties, optimistic as a teen  
Now its terror  
Airplanes crash into towers The Daily Mail says the enemys among us  
Taking our women and taking our jobs  
The reasonable fool is being drowned out  
By the non-stop baying, baying, baying for blood  
Fame to go So I go hunting for witches  
I go hunting for witches  
Heads are going to roll  
I go hunting for I was an ordinary man with ordinary desires  
I watched TV and it formed me  
I was an ordinary man with ordinary desires  
There must be accountability Despaired and misinformed  
Fear will keep us all in place So I go hunting for witches  
I go hunting for witches  
Heads are going to  
I go hunting for I was an ordinary man with ordinary desires  
I watched TV and it formed me  
I was an ordinary man with ordinary desires  
There must be accountability Despaired and misinformed  
Fear will keep us all in place
