Exodus

Anthony Burger

This land is mine, God gave this land to me
This brave and ancient land to me
And when the morning sun reveals her hills and plain
Then I see a land where children can run freeSo take my hand and walk this land with me
And walk this lovely land with me
Though I am just a man, when you are by my side
With the help of God, I know I can be strongThough I am just a man, when you are by my side
With the help of God, I know I can be strongTo make this land our home
If I must fight, I'll fight to make this land our own
Until I die, this land is mine
