

Save Your Kisses For Me

Flavio Mendes

Save your kisses for me
Show me how you miss me
All so easily my lovin'
Save your kisses for me
'Cos I don't wanna be
A summer love thingThe way of your touch is always heavenly
And I love the way that you're loving me
You wrapped me up in the color of your love
You must be an angel high from aboveHow can I be sure that you won't go
And what will beSave your kisses for me
Show me how you miss me
All so easily my lovin'
Save your kisses for me
'Cos I don't wanna be
A summer love thingAre you gonna be there when I need someone
And will I be always just the only one
I don't wanna have just another heartbreak
So tell me is your love true or a fakeHow can I be sure that you won't go
And what will beSave your kisses for me
Show me how you miss me
All so easily my lovin'
Save your kisses for me
'Cos I don't wanna be
A summer love thingOne kiss, one love, one word
One vow and nothing more
One night, one dream
Gonna save it, save it for meSave your kisses for me
Show me how you miss me
All so easily my lovin'
Save your kisses for me
'Cos I don't wanna be
A summer love thingShow me how you miss me
I don't wanna be
A summer love thingSave your kisses for me
'Cos I don't wanna be
A summer love thingSave your kisses for me
