

La La Latch

Pentatonix

You lift my heart up when the rest of me is down
 You, you enchant me even when you're not around
 If there are boundaries, I will try to knock them down
 I'm latching on, babe, now I know what I have found
 Hush, don't speak
 When you spit your venom, keep it shut I hate it
 When you hiss and preach
 About your new messiah 'cause your theories catch fire
 I can't find your silver lining
 I don't mean to judge
 But when you read your speech, it's tiring
 Enough is enough
 Covering my ears like a kid
 Where in your words mean nothing I go la la la
 I'm turning up the volume when you speak
 If my heart can't stop it, I find a way to block it
 I go la la, la la la la la la la
 La la, la la, la la la la la la la
 La la, la la, la la la la la la la
 La la, la la, la la la la la la la
 I'm so en-captured, got me wrapped up in your touch
 Feel so enamored, hold me tight within your clutch
 How do you do it? You got me losing every breath
 What did you give me to make my heart bleed out my chest?
 Now I've got you in my space
 I won't let go of you
 Got you shackled in my embrace
 I'm latching on to you (never let go, I won't let go)
 I can't find your silver lining
 I don't mean to judge
 But when you read your speech, it's tiring
 Enough is enough
 Covering my ears like a kid
 And I'm latching onto you la la la la
 I'm turning up the volume when you speak
 If my heart can't stop it, I find a way to block it
 I go la la, la la la la la la la
 La la, la la la la la la la, latching, latching onto
 La la, la la la la la la la
 La la, la la, la la la la la la la, never
