Paper wings (Burnout 3 Takedown OST)

Rise Against

One last thing I beg you please just before you go
I've watched you fly on paper wings half way round the world
Until they burned up in the atmosphere and sent you spiraling down
Landed somewhere far from here with no one else around
To catch you falling down
And I'm looking at you nowAnd I can't tell if you're laughing
Between each smile there's a tear in your eye
There's a train leaving town in an hour
Its not waiting for you and neither am ISwing for the fences son
He must have told you once
That was a conversation you took nothing from
So raise your glass now and celebrate exactly what you've done
Just put off another day of knowing where your from
You can catch up with yourself if you runAnd I can't tell if you're laughing
Between each smile there's a tear in your eye
There's a train leaving town in an hour
Its not waiting for you and neither am IIs this the life that you lead?
Or the life that's left for you?
Will you take the road that's been laid out before you
Will we cross paths somewhere else tonight? Somewhere elseAnd I can't tell if you're laughing
Between each smile there's a tear in your eye
There's a train leaving town in an hour
Its not waiting for you and neither am IAnd I can't tell if you're laughing
Between each smile there's a tear in your eye
There's a train leaving town in an hour
Its not waiting for you and neither am I
