

Good Girl Gone Bad

Pretty Boy Floyd

She left her home for California,
Signed, sealed and delivered,
Never coming back again,
Never said you were going,

Now she wants to be a star,
A model or an actress,
The only stars she'll ever see,
Is in her worn down mattress,
Everybody tries to tell her,
Daddy's little girl aint no Cinderella

Good girl, good girl gone bad,
She was the sweetest thing,
With a diamond ring on her hand,
Good girl, good girl gone bad,
In Hollywood,
Where good, good girls, go bad.

Whatever happened to Desirea,
She's dancing down at the showgirl,
Same old story but a different face,
Now she's discovered the real world,
Everybody tries to tell her,
Daddy's little girl aint no Cinderella

Good girl, good girl gone bad,
She was the sweetest thing,
With a diamond ring on her hand,
Good girl, good girl gone bad,
In Hollywood
Where good, good girls go bad.
She was a good girl till she moved to Hollywood. Yeah.

Good girl, good girl gone bad,
Good girl, good girl gone bad,
Good girl, she's a naughty girl, so bad,
Good girl, bad girl, Yeah.

Good girl, good girl gone bad,

She was the sweetest thing,
With a diamond ring on her hand,
Good girl, good girl gone bad,
In Hollywood,
Where good, good girls,
Good, good girls,
Good, good girls,
Go bad.
