His Mistakes

Usher

Do I remind you of the pain
That he put you through, girl?
Is that the reason I'm to blame
Before I do it?Is it because he treated you badly
I always stand accused?
Protecting yourself from somebody else

I'm not who's hurting you, girlAnd its killing me girl, knowing
You compare me to him

Always guilty before the sin

I cant win, I cant win, noIll do anything to prove I love you Baby girl, but I refuse to

Pay for something I didn't do, I love you, girl
But I refuse to stay paying for his mistakesHe left a scar across your heart
I understand, girl

Don't let his wrongs tear us apart, no
Girl, I'm your manJust because he did, you swear I'm cheating
You think I just don't care

Why must I do time for another mans crime? Girl, you know that ain't fair, no, noAnd its killing me, girl

Knowing you compare me to him Always guilty before the sin

I cant win, no, I cant winIll do anything to prove I love you Baby girl, but I refuse to

Pay for something I didn't do, I love you, girl
But I refuse to stay paying for his mistakesI know he did you wrong
But tell me, what does that have to do with me?

Trying to show you something real
Figure out what is going on

Before you look up and Ill be goneOh, Ill do anything to prove I love you Baby girl, but I refuse

To pay for something I didn't do, girl
I love you and I love you, I love you'll do anything to prove I love you

Baby girl, but I refuse
To pay for something I didn't do, no
I love you, girl

But I refuse to stay paying for his mistakes
