

Hero

Mariah Carey

This is for you, I love you, thank you

Hmm

There's a hero

If you look inside your heart

You don't have to be afraid

Of what you are

There's an answer

If you reach into your soul

And the sorrow that you know

Will melt away, hey

And then a hero comes along

With the strength to carry on

And you cast your fears aside

'Cause you know you can survive

So when you feel like hope is gone

Look inside you and be strong

And you'll finally see the truth

That a hero lies in you

Quante volte va

Anche se tu non lo vuoi

Ogni piccola sconfitta sembra sia

Un deserto

Di rinunce e grande ostilita

E vuoi dimenticare la realta

La luce dentro te

Si accende sai perche

Non sei mai solo nei momenti in cui

Ti sembra che nessuno al mondo

Creda in te

Non perderti perche

La luce tua si accendera

E vedrai che il buio

In quel momento svanira

Oh ooh

Lord knows (Lord knows)

Dreams are hard to follow

But don't let anyone

Tear them away, yeah, yeah

(La luce dentro te)

Just hold on
And there will be tomorrow
And in time
You'll find the way (you'll find the way)
La luce dentro te - And then a hero comes along
Si accende sai perche - With the strength to carry on
Non sei mai solo nei momenti in cui - And you cast your fears aside
Ti sembra che nessuno al mondo - 'Cause you know you can survive
Creda in te - So when you feel like hope is gone
Non perderti perche - Look inside you and be strong
La luce tua si accendera e vedrai che il buio - And you'll finally see the truth
In quel momento svanira - That a hero lies in you
That a hero lies in you
La luce dentro te
Doo
That a hero lies in
You
