

# Rain Song

## Ian A Fraser

Bring rivers in this wasteland  
Clouds into this sky  
Bring springs of life into the wells  
That have been run dry  
Rise up in this city  
Gather in this light  
Fall down on Your people  
Your glory and Your life  
Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on Your sons and daughters  
Rain, bring Your rain again  
Speak dreams into this water  
And vision to this land  
That oceans be divided  
And bring forth life again  
Rise up in this city  
Gather in this light  
Fall down on Your people  
Your glory and Your life  
Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on Your sons and daughters  
Rain, bring Your rain again  
Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on Your sons and daughters  
Rain, bring Your rain again  
Let the tide roll in  
Washing over our lives  
And let Your water fall again  
Bring rivers in this wasteland  
Clouds into the sky  
Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on Your sons and daughters  
Rain, bring Your rain again  
Rain, Lord we thirst for water  
Rain, we are desert land

Rain, on Your sons and daughters  
Rain, bring Your rain again  
    Bring Your rain again  
    Let Your water fall down  
    Bring Your rain again now  
        Bring Your rain again  
        Let Your water fall down  
        Bring Your rain again now
