Keep It 100

Verse Simmonds

Keep It 100
Its all on the Table
Eat up If You're Able
100
Give Another Real Me
Even If It Kills Me
100
I Never Told You Lies
Until I Fell In Love With You Ooh
Im Made Up In My Mind
It Was Just To Protect You
Now I Feel Like Such A Phony
Like Im Not your Homie
Cause If I Was
I Should Keep It Real
Now You Say You Wanna Know Me
Really Wanna Know Me
But after This We're Gonna See How You Feel
If I Just Keep it 100
Shed Probably Be Cool With Everything
If I Just Keep It 100
I Wouldnt Be About To Lose My Diamond Ring
If I Just Keep It 100
And Tell Her How I Creep On The Low
She Wants The Truth But Does She Really Want To Know
If I Just Keep It 100
Shed Probably Know But Ill Never Know
Unless I Keep It 100
Ive Told So Many Lies That You Wont Accept The Truth
Ive Hurt You So Many Times now Your Heart Is Bullet Proof
Now I Feel Such Like A Phony
That Im Not Your Homie
Cause if I Was Id Just Keep It Real
Now You Say You Wanna Know Me
Really Wanna Know Me
But after This We're Gonna See How You Feel
If I Just Keep it 100
Shed Probably Be Cool With Everything
If I Just Keep It 100

I Wouldnt Be About To Lose My Diamond Ring
If I Just Keep It 100

And Tell Her How I Creep On The Low
She Wants The Truth But Does She Really Want To Know
If I Just Keep It 100
Shed Probably Know But Ill Never Know
Unless I Keep It 100
Ill Never Let You See Through My Phone
Imma let you Know What It Is
I Aint blaming it on No Alcohol
Ill Just Man Up For What I DId
I Told Her I Had A Girl it Made Her Want Me More
Next Thing I Know We up In the Suite
Rolling All On The Floor
When You Kept Asking Everytime I Said Nothing But I Know You Knew
I Was Trying to Tell You But I Didnt Cause i Know Youd Say We're Through
Im Glad I Got It Off My Chest But That Dont Make It Cool
Thats Worth The Side All With Me I Wanna Be With Youuu
If I Just Keep it 100
Shed Probably Be Cool With Everything
If I Just Keep It 100
I Wouldnt Be About To Lose My Diamond Ring
If I Just Keep It 100
And Tell Her How I Creep On The Low
She Wants The Truth But Does She Really Want To Know
If I Just Keep It 100
Shed Probably Know But Ill Never Know
Unless I Keep It 100
Keep It 1
1 With You
Let Me keep It 1
Keep It 1 With You
Keep it 100
Keep It 1
1 With You
Keep It 1
Keep It 1 With You
Keep it 100
Its All On The Table
Eat Up If You're Able
Keep It 100
Give Another Real Me
Even If It Kills Me
Keep It 100
