That Girl

Maxi Priest

The girl has got the touch
What she got is a little something
That kind of girl
Maxi Priest just make them know

She's the kind of woman
Who let's you know
When she knows what she wants
She won't let go
Takes you to a place of your fantasy
Walks you to the door
But she holds a key

[Chorus]
That girl ooh that kind of girl, gangsta kind of lover
That girl ooh that kind of girl, smooth type of girl

No matter who you are
Or what you do
She knows how to click
In everything you do
She can make you hot
When it's cold outside
Take you on a high
Even make you fly

[Chorus]

Mmmmmmm, she's outspoken
I'm heartbroken
Just the kind of girl to keep my love life rolling
She's outspoken
I'm heartbroken
Just the kind of girl to keep my
That that that girl
To make you break your silence and speak
Just a glimpse upon the silhouette
My knees get weak
Mmmmmmm, baby baby so unique

A reggaemantic lover lover make her life complete

[Chorus]

She's the kind of woman who knows the street
And even under pressure she's smooth and sweet
No complications just attitude
Believes in what she's got and she won't get used

[Chorus]

Well I'm weak to her touch
So vulnerable to her blush, love struck
That girl I got an instant crush
You can call me a lush, infatuation or just lust
The girl possess the stuff to
Make the man them oh ah

Holy Moses Lord it could have been me
Caught up in this trap I didn't wanna be, I know
But I ain't no fool I was one step ahead, yeah
I had to let go cause I was over my head

That girl ooh that kind of girl
Gangsta kind of lover
That girl ooh that kind of girl
'Cause she's a Shaggy kind of girl
That girl ooh, let them know
That kind of girl, sexy kind of lover
That girl ooh, let them know
That kind of girl, Maxi kind of girl

She's outspoken
I'm heartbroken
Just kind of girl to keep my love life flowin'
She's outspoken
I'm heartbroken
She's the kind of girl to keep my that that girl

That girl ooh, I got to let them know
That kind of girl
She's the kind of girl that captivates your soul
That kind of girl
