

# That Girl

## Maxi Priest

The girl has got the touch  
What she got is a little something  
That kind of girl  
Maxi Priest just make them know

She's the kind of woman  
Who let's you know  
When she knows what she wants  
She won't let go  
Takes you to a place of your fantasy  
Walks you to the door  
But she holds a key

[Chorus]

That girl ooh that kind of girl, gangsta kind of lover  
That girl ooh that kind of girl, smooth type of girl

No matter who you are  
Or what you do  
She knows how to click  
In everything you do  
She can make you hot  
When it's cold outside  
Take you on a high  
Even make you fly

[Chorus]

Mmmmmmm, she's outspoken  
I'm heartbroken  
Just the kind of girl to keep my love life rolling  
She's outspoken  
I'm heartbroken  
Just the kind of girl to keep my  
That that that girl  
To make you break your silence and speak  
Just a glimpse upon the silhouette  
My knees get weak  
Mmmmmmm, baby baby so unique

A reggaemantic lover lover make her life complete

[Chorus]

She's the kind of woman who knows the street  
And even under pressure she's smooth and sweet  
No complications just attitude  
Believes in what she's got and she won't get used

[Chorus]

Well I'm weak to her touch  
So vulnerable to her blush, love struck  
That girl I got an instant crush  
You can call me a lush, infatuation or just lust  
The girl possess the stuff to  
Make the man them oh ah

Holy Moses Lord it could have been me  
Caught up in this trap I didn't wanna be, I know  
But I ain't no fool I was one step ahead, yeah  
I had to let go cause I was over my head

That girl ooh that kind of girl  
Gangsta kind of lover  
That girl ooh that kind of girl  
'Cause she's a Shaggy kind of girl  
That girl ooh, let them know  
That kind of girl, sexy kind of lover  
That girl ooh, let them know  
That kind of girl, Maxi kind of girl

She's outspoken  
I'm heartbroken  
Just kind of girl to keep my love life flowin'  
She's outspoken  
I'm heartbroken  
She's the kind of girl to keep my that that girl

That girl ooh, I got to let them know  
That kind of girl  
She's the kind of girl that captivates your soul  
That kind of girl
