

Indiana

DJ Rupp

Gotta put on for the state
Livin' in it too
Why isn't it you? Got my red cup, hop up out the whip spillin' my drink
At the party and she tellin' me thangs
Indiana goin' up every day, up every day
from the mid-west and ya know we don't play
She think I'm the best and she want me to stay
I rep Indiana when I'm in LA
Hoosier fo' life, tell me what can I say
Reppin' the state, at the top of my game
Keep it 100, shout out Notre Dame
Whipping the monte, I'm switchin' the lanes
been gettin' money, I still will not change Got my whole team on and I'm feelin' good (I am)
If you from Indiana go and rep yo hood
Do a show out in indy, gonna do it indy
Southbend got mad hoes, and evansville got plenty
If you fuck with us, go and put yo cup up
If you from Indiana go ahead get fucked up I N D I A N A! That's Indiana!
Ballin' like Reggie Miller, that's Indiana!
I pull up on my state, that's Indiana!
Watch me rep it in yo face, that's Indiana!
That's Indiana, that's Indiana!
I N D I A N A! That's Indiana!
I put on for my state, that's Indiana!
Watch me rep it in yo face, that's Indiana! Indiana on my... back, put it on like a backpack
Oh my god, she got a fat ass, throw that ass back
Hit 'a, (WOOH, WOOH,) now she got a bad back
Hit 'a (wooh wooh) now she tryna act slapped
If you bout the 2 1 9, put yo hands up
7 6 5 go and put yo hands up
812 and ya you betta fuckin' stand up
317 this a muthafuckin' anthem
do a show out in indy, gonna do it indy
Kokomo got mad hoes and Terra haute got plenty
If you fuck with us, go and put yo cup up
If you from Indiana, go ahead, get fucked up I N D I A N A! That's Indiana!
Ballin' like Reggie Miller, that's Indiana!
I pull up on my state, that's Indiana!
Watch me rep it in yo face, that's Indiana!

That's Indiana, that's Indiana!
I N D I A N A! That's Indiana!
I put on for my state, that's Indiana!
Watch me rep it in yo face, that's Indiana!
