

# Walk on Water

[Milk Inc.](#)

There was a time  
When nothing would last  
There was a time  
I held on to the past I would walk on water  
Just to be with you  
Walk on water  
Just to be with you Split the ocean, cross the sea  
Walk on water if you believe There was a time  
I lost my faith  
There was a time  
I could only hate You were my shepherd  
You were my guide  
I followed your dark eyes  
Right into the night You were my savior  
You took control  
You came and touched my soul I would walk on water  
Just to be with you  
Walk on water  
Just to be with you Split the ocean, cross the sea  
Walk on water if you believe There was a time  
When nothing would last  
There was a time  
I held on to the past You were my shepherd  
You were my guide  
I followed your dark eyes  
Right into the night You were my savior  
You took control  
You came and touched my soul Why are you still overshadowed by the dark?  
If only you could see the love that carries me
