I Want To Break Free

The Cab

I want to break free
I want to break free
I want to break free from your lies
You're so self satisfied, I don't need you
I've got to break free
God knows, God knows I want to break free
I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love yea
God knows, God knows I've fallen in love
It's strange but it's true, hey yea
I can't get over the way you like me like you do
But I have to be sure
When I walk out that door
Oh how I want to be free baby
Oh how I want to be free
Oh how I want to break free
But life still goes on
I can't get used to livin' without livin' without
Livin' without you by my side
I don't want to live alone, hey
God knows, got to make it on my own
So baby can't you see
I've got to break free
I've got to break free
I want to break free, yea
I want, I want, I want
I want to break free
