

# I Want To Break Free

## The Cab

I want to break free  
I want to break free  
I want to break free from your lies  
You're so self satisfied, I don't need you  
I've got to break free  
God knows, God knows I want to break free  
I've fallen in love  
I've fallen in love for the first time  
And this time I know it's for real  
I've fallen in love yea  
God knows, God knows I've fallen in love  
It's strange but it's true, hey yea  
I can't get over the way you like me like you do  
But I have to be sure  
When I walk out that door  
Oh how I want to be free baby  
Oh how I want to be free  
Oh how I want to break free  
But life still goes on  
I can't get used to livin' without livin' without  
Livin' without you by my side  
I don't want to live alone, hey  
God knows, got to make it on my own  
So baby can't you see  
I've got to break free  
I've got to break free  
I want to break free, yea  
I want, I want, I want  
I want to break free
