

Ring Twice

Talk Show

Everybody wants an invitation
Ring twice, evidently no ones home
Sweaty maple like a meditation
Ring twice evidently no ones home Mesh rhyme with reason is a notary stone
Best time of season is when nobodys home
Every time I get less, I want more
Every time I get less, than Everybody wants a celebration
Ring twice evidently, no ones home
Grain of salt is like a purification Seaside, everybody omits time to go
Ring high evidently starts the show Meantime, everybody commits try and try
Fly by, setting it back, works the go Seaside, everybody commits
Meantime, everybody omits
Seaside, everybody commits
Meantime, everybody omits
Time to go
