Easy Money

Grayson Matthews

You roll me like a machine
We go faster
You know exactly what I mean
Its all in our hands
Get out of this bed, get up

Imma house fire
Imma hot iron
Iâ€™m burning up, Iâ€™m burning up

I can crush carbon
Build a hope diamond
Then we run, run, run, run, run, run

This is my hot high school party
Like a cool high school party
While the cats away
The mice will pay

Itâ€™s all in my head

Easy money in my hand
Body under my command
I can let go
This is my disco

Easy money in my hand
Drawing lines in the sand
I dont tip toe
This is my disco
This is my disco

You roll me like a machine
We go faster
You know exactly what I mean
Its all in our hands
Get out of this bed, get up
I can crush carbon
Build a hope diamond

Then we run, run, run, run, run, run, run, run, â€¦

This beat like a hammer in my chest
My hearts pumping through my vest
I know exactly what it means
I love you

Your like a drak? you pick me up
When I am down

Easy money in my hand
Body under my command
I can let go
This is my disco

Easy money in my hand
Drawing lines in the sand
I donâ€™t tip toe
This is my disco

This is my disco
