Mister Class and Quality-

Gentle Giant

Look around my rooms and see the prizes I have showing
Working hard to build my life and plan the way I`m going
House and car and pretty wife, they've all been won by knowing
All been won by knowingAll been won by knowing.
Paperwork, white collared shirts, where would we be without
Them
Man of class and quality, I never shout about themChoose my friends for my own ends.
You can`t succeed without them
Can`t succeed without them
Can`t succeed without them.Middleman sees straight ahead and never crosses borders
Never understood the artist or the lazy workers
The world needs steady men like me to give and take the orders
Give and take the orders
