For a Boy

RaeLynn

For A boy a pretty see thru
For a boy you sure let your guard down when you know what you want
What will you see, baby right now you're looking at me
The way you say my name, I know you're not playing gamesFor a boy, you're good at saying sorry
For a boy, I sure can feel your heart, It's like a freight train, coming at me
I'm across the booth, on the edge of my seat
You don't make me wait, you say what you came to sayGo on get it out boy, say I'm the only one that makes you crazy
Come on tell me how boy, how I'm the only thing you're thinking about lately
What you don't know, what you don't know
Is what a girl like me would do for a boy like youFor a girl, I'm pretty cool, calm and collected
For a girl, whose getting more than she expected
From an ex-love but here I am you're putting your heart in the palm of my hand
I'm trying to act real cool, but inside I'm a lovesick foolFor a boy like you (yeah)Go on and say it all boy, put every last feeling out on the table
Come on, it's last call boy, before the night ends lets give this a label
Cause, what you don't know, what you don't know
Is what a girl would do for a boy like you
For a boy like youWhat a girl like me would do for a boy like you
