Let Me Try Again

Frank Sinatra

I know I said that I was leaving But I just couldn't say goodbye It was only self-deceiving To walk away from someone who Means everything in life to you You learn from every lonely day I've learned and I've come back to stayLet me try again, let me try again Think of all we had before Let me try once more We can have it all you and I again Just forgive me or I'll die Please let me try againI was such a fool to doubt you To try to go it all alone There's no sense to life without you Now all I do is just exist And think about the chance I've missed To beg is not an easy task But pride is such a foolish maskLet me try again, let me try again Think of all we had before Let me try once more We can have it all you and I again Just forgive me or I'll die
