Words Get In The Way

Trace Adkins

I wanna tell you that I'm sorry
I wanna say that I was wrong
I wanna tell you that this circus that we've been living in
Ain't where we belongIt's like the Grand Canyon
And we're out here on the edge
But we're still standin'
Baby, we haven't fallen yetI don't wanna talk anymore tonight
Fallin' into the trap of who's wrong and who's right
It's easy to see
The way you're lookin' at meThat you just want the same things that I do
All I want is to make love to you
There's really nothing to say
Don't let our words get in the wayWe both know love's not perfect
It's good, it's bad, it's everything
But you know what makes it worth it
For the all the moments in betweenThere's a deep ocean
Sometimes it's sink or swim
But these are real emotions
So baby, let's dive inI don't wanna talk anymore tonight
Fallin' into the trap of who's wrong and who's right
It's easy to see
The way you're lookin' at meThat you just want the same things that I do
All I want is to make love to you
There's really nothing to say
Don't let our words get in the wayOh baby
You just want the same things that I do
All I want is to make love to you
There's really nothing to say
Don't let our words get in the wayOh baby
Don't let our words get in the way
Don't let our words
