Caught

Thirsty Moon

Oh, baby, you caught me by surprise
I never thought I'd find
Someone to make me feel like this
They say love is blind, I can't testify cause
When you came to me, baby, it was easy to see
'Cause you had the key to open me up
And you gave me something that was real
Need to know that you're ready for my love
'Cause I don't want to give you up, yeah, yeah
But my heart was ready
And that's where you kept me
I can't see myself with nobody but you
(You)
No, boy, I can't see it
Can't picture or dream it
You are all I need and I
Want you to know
I don't, don't care what they say about it
You're the one and I can't
Stop myself from feeling this way
You got me, you got me
You got me, you had me
Now whatcha gonna do about it?
Oh, baby I can't getcha off my mind
Been tryin' to concentrate
But all I do is think of you, babe
No one else for me, it's meant for us to be
I want to make a move but this is all on you
Oh, I never felt this way before
And I hope that you know whatcha doin'
Need to know that you're ready for my love boy
I don't want to give you up, Yeah
'Cause my heart is ready
So come on and take it
I can't see myself with nobody but you
(You)
Can't picture or dream it
I need to believe that
You really want me, you really need me

Baby, can you tell me 'cause I don't
I don't, don't care what they say about it
You're the one and I can't
Stop myself from feeling this way
You got me, you got me
You got me, you had me
Now whatcha gonna do about it
Lemme show you what I'm workin' with
You know you wanna get it, boy
I love the way you get it, boy
So good, so hood, so fly
You can have it all tonight, tell me what you want
I'll give you what you like
Goin' out of my mind
Whatcha gonna do?
I don't, don't care what they say about it
You're the one and I can't
Stop myself from feeling this way
You got me, you got me
You got me, you had me
Feelin' this way
You got me, you got me
You got me, you had me
Now whatcha gonna do about it?
