Heart Don't Fall Now

Sawyer Brown

Here she comes again, but me and you we're gonna close the door
We won't her in, we're not gonna do it, like we've done before
Stay here with me, keep a steady beat but not to loud
She might be listeningOh, heart, don't fall now
If you do I might never bring you back around
Heart take it slow, don't let her know
Just how much we really need her now
Heart, don't fall nowShe can break me down but she won't get through
If you'll be on your guard, when she reaches out
Oh, I'm counting on you, not to fall apart
Here comes that touch we've been missing for such a long, long time
I feel you giving inOh, heart, don't fall now
If you do I might never bring you back around
Heart take it slow, don't let her know
Just how much we really need her now
Heart, don't fall nowYou'll pull it off some how
This can be our finest hour
Oh, heart without you I might not get through it
Don't know if I can do itHeart, don't fall now
If you do I might never bring you back around
Heart, take it slow, don't let her know
Just how much we really need her now
Heart, don't fall nowHeart, don't fall now
If you do I might never bring you back around
Heart, take it slow, don't let her know
Just how much we really need her now
Heart, don't fall nowHeart, don't fall now
If you do I might never bring you back around
Heart, take it slow, don't let her know
Just how much we really need her now
Heart, don't fall now
