Layaway Love

Notch

N-n-notch

Mami,
I got a nickel for juice,
Dime piece n u can make a dollar holla
When u smile at me but I just cant get enough baby

So can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway

I can tell by your hand,
that the main thing u need a, millions there,
So u when ya bettcha I just wanna see u style n smile
So right then u a gold digga, no (no)
But it cost a pretty penny to look like u
N if I had it, I?d spend it all on u
But I kno that can I put it some on?

Mami,
I got a nickel for juice,
Dime piece n u can make a dollar holla
When u smile at me but I just cant get enough baby

So can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway

I?d love to buy u this n
buy u that (buy u that)
Can I afford that?
Drive u here n drive u back baby on a
Get the good things in life, cuz your all that
Like money aint an issue, while I?m tryna kiss u
Im under paid but im not under insults
Put my work in n bring it in n pay the bills charged
I?ll even check on your goods like a stock boy

Ballin on a budget, but u can check my credit score

Mami,
I got a nickel for juice,
Dime piece n u can make a dollar holla
When u smile at me but I just cant get enough baby

So can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway

I know the best things in life are free
N im tryna get over, over
Not an amount of money in this world could but a price on you girl,
Cuz u official, aint tryna price list you
Really aint tryna be your Cashnova
aint a romeo-dobeo, Romeo but u can be my Juliet
N let me kiss u girl so?.

Mami,
I got a nickel for juice,
Dime piece n u can make a dollar holla
When u smile at me but I just cant get enough oh man, baby

So can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway
can put that on layaway?, love layaway

So tell me wat its goin a take
baby girl for me to be your date
Aint got a rain check on a rainy day
But im check on that creek when I get there

Mami,
I got a nickel for juice,
Dime piece n u can make a dollar holla
When u smile at me but I just cant get enough baby
