

This Love Will Survive

Alexandra Burke

Ah, yeah
Ah, yeah
It's been so long
That it's wrong
Don't let me wonder life alone
Cause' there is a reason
It's not the season
It is time for us to fall in love
Give me a sign now
Show me the way
Take my hand, I won't be afraid
Show me the love that blew me away
I said
Ah, yeah
I feel alive
Ah, yeah
This feels so right
When you hold me
When you kiss me
The way you let me shine
Ah, yeah
This love will survive
So what's the deal
What do you feel
Cause' baby I can't take no more
We've got to be stronger
A little longer

I need you to take control
Give me a sign now
Show me the way
Take my hand, I won't be afraid
Where is the love that blew me away
I said
Ah, yeah
I feel alive
Ah, yeah
This feels so right
When you hold me

When you kiss me
The way you let me shine
Ah, yeah
This love will survive
This love will survive
Hey, oh
This love will survive
Oh
Ah, yeah
I feel alive
Ah, yeah
This feels so right
When you hold me
When you kiss me
The way you let me shine
Ah, yeah
This love will survive
