Swag

Joel Beazer & The Fast Lane

I've been waiting for the Headlights to turn green
Drivin' along all the pain and the exstacy
I took a hard blow but i never hit the floor
'Cause it takes me more than one
Yeah I'm a troubadour
SWAG ..I Got SWAG

I take a double shot of whiskey
Cool off my brain
Where i come from, people think I'm Just insane
I love the Bad Girls and the Bad Girls love me the same
So pour me that shot and watch me entertain
SWAY...I Got SWAG
