## Joel Beazer & The Fast Lane

I've been waiting for the Headlights to turn green  
Drivin' along all the pain and the exstacy  
I took a hard blow but i never hit the floor  
'Cause it takes me more than one  
Yeah I'm a troubadour  
SWAG ..I Got SWAG

I take a double shot of whiskey  
Cool off my brain  
Where i come from, people think I'm Just insane  
I love the Bad Girls and the Bad Girls love me the same  
So pour me that shot and watch me entertain  
SWAY...I Got SWAG
