

# All the Time in the World

## the subdudes

I've got all the time in the world  
I've got a sweet loving daddy's little girl  
You need a minute just take your time  
You need an hour you can borrow mine  
'Cause I've got all the time in the world  
Buying time they say is a dangerous thing  
And they will know exactly what the time will bring  
Just move along, not too fast  
Lord try to make the good times last  
Well I've got all the time in the world  
I've got all the time in the world  
I've got a sweet loving daddy's little girl  
You need a minute, take your time  
You need an hour, you can borrow mine  
'Cause I've got all the time in the world  
You know I'm hungry when I wake up  
I'll be damned if I'm ain't sleepy when I eat  
Only time I feel good is when I've got a  
Louisiana maybe Colorado mud under my feet  
And I don't mind fast food  
Long as I can eat it real, real, real, real, real slow  
And I'm gonna have me some high times  
But I might lay them way down low  
Leavin' town you told me on an Amtrak passenger train  
I should have known from the sound of your sad refrain  
You need some cash, you got to go  
How about a slow game of dominoes  
You know what I'm talkin' about  
I've got all the time in the world  
I've got all the time in the world  
Got a sweet loving daddy's little girl, yeah  
You need a minute, take your time  
You need an hour, you can borrow mine  
'Cause I've got all the time in the world, yeah  
I've got all the time in the world  
I've got all the time in the world, yes indeed
