Toothbrush

Pet Names

Take what you like, it's all free
Naked half-truths are sleeping with me
Cold sheets, midnight, recurring dreams
Wake to daylight and icy streets

We stay up late
Ignore our phones
Kiss in the snow
Get drunk at home/alone

I whispered in your ear at night
You never heard, you slept so tight
Threw out your toothbrush this morning
I stared blankly, it's sobering

I spend afternoons in bed
Your ghost leans in my ear it says
"Don't fall asleep without me."
Don't fall asleep without me
