Some Bobby

Bobby V.

I really need some Bobby
You really need some Bobby
(I know)
We all need some Bobby V
(Sing it to me baby)
I really need some Bobby
(I know)
You really need some Bobby
(I know)
We all need some Bobby V
(I know)
I really need some Bobby
('Cause it seems like your ready)
You really need some Bobby
(I know)
We all need some Bobby V
I really need some Bobby
(I know)
We all need some Bobby
(I know)
I really need some Bobby V
('Cause it seems like your ready)
(I know)
