

The Good Life

Ben l'Oncle Soul

Yeah, the good life,
full of fun
seems to be the ideal
Yeah, the good life
lets you hide
all the sadness you feel
You won't really
fall in love
'cause you can't take the chance
So be honest
with yourself,
don't try to fake romance
It's the good life
to be free
and explore the unknown
Like the heartaches
when you learn
you must face them alone
Please remember
I still want you,
and in case you wonder why
Well, just wake up,
kiss the good life
goodbyePlease remember
I still want you,
and in case you wonder why
Well, just wake up,
kiss the good life
goodbye
Yes a good life
Yes a good life
Oh a good lifeYes a good life
Oh a good life
Yes a good lifeYes a good life
Oh a good life
Yes a good lifeYes a good lifeOh yeah
