

Far From Distance

Useless ID

Never Really Thought You'd Come
You Did, A Line Torn Right Between Us
Repeated Glance In Your Eyes
Can't Stand It, Soon I'm Going On So For Now I Know As Far As Friendship Goes
Love Goes Really Bad With Pressure
In Two Months I'm Gone, I'll Be Writing You A Lot
Hoping It Will Get Through To You The Story Ended Here, A New One Comes In Clear
I Never Thought You'd Win My Best Hand
Ace Of Hearts I Fold, This Win Is Truly Yours
I Hope You Understand It Means A Lot The Soft Words
You've Left With Me After The Show
Wish You Could've Stayed Some More
You're Great Too Bad You Had To Go For Now I Know As Far As Friendship Goes
Love Goes Really Bad With Pressure
In Two Months I'm Gone, I'll Be Writing You A Lot
Hoping That I'll Come Back To You The Story Ended Here, A New One Comes In Clear
I Never Thought You'd Win My Best Hand
Ace Of Hearts I Fold, This Win Is Truly Yours
I Hope You Understand Now One Year Later
She's Ok, Is It Over
Aging Love Never Gone
Maybe One Explanation
