

Why Wait

Belinda

Yeah, yeah
Yeah, yeah Picture it perfect, yeah
Don't hesitate to live your dreams
It's more than worth it, oh
If you know what you wanna be Why wait? When now is the right time
Today could just pass you by
Why wait? It's your turn, it's your life
The future is what we make, so why wait? You gotta reach out, yeah
And see the world is in your hands
I know you know how
Just gotta go for it and take a chance Why wait? When now is the right time
Today could just pass you by
Why wait? It's your turn, it's your life
The future is what we make, so why wait? Ooh, aqui estas conmigo
Para vivir y cumplir tu suenos
Y luchar por lo que has querido
Encuenrta tu luz, sique, vive sin miedo Why wait? We're ready to do this
No way you can ever be stopped Why wait? When now is the right time
Today could just pass you by
Why wait? It's your turn, it's your life
The future is what we make, so why wait? Why wait? Tomorrow can be so
Far away you're already here
Why wait? You just gotta let go
You gotta believe in yourself all the way
You know that you've got what it takes, so why wait?
