

# Shadows In Silence

## Enigma

Give me release  
Witness me  
I am outside  
Give me peace Heaven holds a sense of wonder  
And I wanted to believe  
That I'd get caught up  
When the rage in me subsides In this white wave I am sinking  
In this silence  
In this white wave  
In this silence I believe Passion chokes the flower  
'Til she cries no more  
Possessing all the beauty  
Hungry still for more Heaven holds a sense of wonder  
And I wanted to believe  
That I'd get caught up  
When the rage in me subsides I can't help this longing  
Comfort me  
I can't hold it all in  
If you won't let me Heaven holds a sense of wonder  
And I wanted to believe  
That I'd get caught up  
When the rage in me subsides In this white wave I am sinking  
In this silence  
In this white wave  
In this silence I believe I have seen you in this white wave  
You are silent  
You are breathing  
In this white wave I am free
