

Rollin (feat. Bad Co, Big Ced, Nattie)

Lil' Troy

Yo, yo, this is Lil' Troy, niggas, we rollin' When I come to the dance
Them hoes get on the floor
'Cause they know that boy
Troy don't play no more Them big youngs be off the rocks
And ya lynch be like
Water the time for the hit
And the roll time be sellin' quaters Loud beats and phat rymes
Is the key to what I'm doin'
I'm in the mix 'cause I'm rich
No time for niggas rui
