

# Disengaged from the World

## Plasticland

The nerves must dance until this tear's all right

When will these premonitions go away

    No needs to tell, the eye can see

    What's going on and what will be

        Disengaged from the world

        Disengagement isn't everything

    You've fingers and you've thoughts

Devoting your eyes and your mother's for a prize

    "You're the Christ" says Enoch by new [?]

        No needs to tell, the eye can see

        What's going on and what will be
