

# Runaway

Avril Lavigne

Got up on the wrong side of life today, yeah  
Crashed the car and I'm gonna be really late  
My phone doesn't work 'cause it's out of range  
Looks like it's just one of those kind of days  
You can't kick me down I'm already on the ground  
No, you can't 'cause you couldn't catch me anyhow  
Blue skies but the sun isn't coming out, no  
Today it's like I'm under a heavy cloud  
And I feel so alive  
I can't help myself, don't you realize  
I just wanna scream and lose control  
Throw my hands up and let it go  
Forget about everything and runaway, yeah  
I just want to fall and lose myself  
Laughing so hard it hurts like hell  
Forget about everything and runaway, yeah  
So so's how I'm doing if you're wondering  
I'm in a fight with the world but I'm winning  
Stay there, come closer it's at your own risk  
Yeah, you know how it is life can be a bitch  
I feel so alive  
I can't help myself, don't you realize  
I just wanna scream and lose control  
Throw my hands up and let it go  
Forget about everything and runaway, yeah  
I just want to fall and lose myself  
Laughing so hard it hurts like hell  
Forget about everything and runaway, yeah  
Runaway, runaway  
Runaway, runaway  
Runaway, runaway  
Runaway, runaway  
I just wanna scream and lose control  
Throw my hands up and let it go  
Forget about everything and runaway, yeah  
I just want to fall and lose myself  
Laughing so hard it hurts like hell  
Forget about everything and runaway, yeah  
I just wanna scream and lose control

Throw my hands up and let it go  
Forget about everything and runaway, yeah  
I just want to fall and lose myself  
Laughing so hard it hurts like hell  
Forget about everything and runaway, yeah
