

Mile High Club

Ron White

747 or a VC10
Winter, summer who knows when?
Takeoff passion, flyaway love
Mile high club
It's got it's ups and downs
It's got it's ups and downs
It's got it's ups and downs
It's got it's ups and downs
I never heard that noise before
Don't be treated like a pound
Let currencies go up and down
Mashed potato, rocksteady rub
Mile high club
It's got it's ups and downs
It's got it's ups and downs
It's got it's ups and downs
It's got it's ups and downs
And I never heard that noise before
Never give up, never say die
Ignore the fools when they cry
If this thing fails, nothing at all
It won't fail
It's got it's ups and downs
It's got it's ups and downs
It's got it's ups and downs
It's got it's ups and downs
