I'm so disappointed and all alone
I miss my childhood and all I've knownIs this wanting all I need
I know I'd find the answerIf I could only see, if I could only see
The answer lies in meChorus:
It's all too hard to force a change
We fret too much about this world
Just be your own and face each day
Answers will slowly come your wayI'm so full of purpose, but void of means
I can't be certain of anythingHas this wanting taken me
I know I'd find the answerIf I could only see, if I could only see
The answer lies in meRepeat ChorusI would like to make things perfect,
But I can't seem to get it right
Only steps away from the answers,
But I can't reach them
Now, I realize the answers will come to me in time
I cannot reach them
They can reach meRepeat Chorus
